

Is there a coded ring?
(with alpha or numeric characters)

Is there a flag?

Are there stripes on some rings?

**How many characters does
the code consist of?**

**Does the code contain
a vertical bar?**

**What is the first letter
(preceding the bar)?**

**What is the colour
of the coded ring?**

**What is the colour
of the coded ring?**

**What is the first letter
of the code?**

ELSA-ring (Germany): please
report to the bird ringing
station in your country or to
ring@ifv-vogelwarte.de
